WHAT WE PROMISE IN THIS COURSE

There is one grand story in Scripture, which matters as you read each and every individual story. HIS STORY, OUR RESPONSE

Every good story starts with a beginning, is ingulfed with a conflict and finally finds its resolution. Scripture is no different. As we unpack the story of Scripture we see that all 66 individual books play into the one grand story of God's love and His redemptive plan for the humanity He created.

While the Bible tells one story, it includes 66 books with over 40 authors collected over 1500 years. And yet it is cohesive and intentional in the story it tells.

You and I have a part in this story, the question is: will we learn the story and will we choose to engage in the story ourselves.

A woman with blonde hair and glasses is looking down at a smartphone in her hands. She is also holding a white cup of coffee. The background shows a blurred view of a city or town from a window.

**Disregard the study of God,
and you sentence yourself
to stumble and blunder
through life blindfolded, as
it were, with no sense of
direction and no
understanding of what
surrounds you.**

THE CHALLENGE FOR YOU:

YOUR PART IN THE STORY...

God's creation-redemption narrative in Scripture, told over thousands of years with 66 books and 40 authors is a story for the ages. But it's not just a story for entertainment, it's a story meant for transformation. Now that you know the story, you have to decide: What is my part in God's story? Will I engage with God? Will I submit my life to Jesus as the Messiah who was promised and who came to sacrifice Himself atonement for my sin problem? Will I serve the King as I wait for Him to bring into completion His Kingdom, or will I serve the enemy and continue trying to solve sin with myself?

The choice is yours. I pray you choose serving the King of Kings.
